Collection Description

Biographical Note

The Georgia Medical Societies collection consists of material from several medical societies based in Georgia, including the Atlanta Academy of Medicine, Fulton County Medical Society, Atlanta Medical History Society, the Georgia Pediatrics Society, along with several items of ephemera from medical societies based in the southeast.

Emory Libraries provides copies of its finding aids for use only in research and private study. Copies supplied may not be copied for others or otherwise distributed without prior consent of the holding repository.

Scope and Content Note

This collection contains meeting minutes, clippings, correspondence, and printed ephemera of medical societies based in Georgia. Also includes numerous convention programs and other ephemera from medical societies based in the southeastern United States. A small portion of this collection are reproductions of original material, these items have been identified in the container list.

Arrangement Note

Organized alphabetically by title.
