---

**Collection Description****Biographical Note**

This collection includes general information related to numerous Atlanta-area hospitals and medical centers, including DeKalb General Hospital, Grady Memorial Hospital, Henrietta Egleston Children's Hospital, among many others. In addition are files from research centers including the Centers for Disease Control and Prevention, and the Yerkes National Primate Research Center. Also included are clippings and other papers related to Georgia physicians and dentists.

**Scope and Content Note**

The Health Sciences Center Library Subject Files consists of a compiled collection of clippings, reprints, publications, and other papers related to Atlanta-area hospitals and medical centers, as well as physicians and dentists based in Georgia. This collection was created by members of the Health Sciences Library staff as materials came into the library; these papers were compiled until 1994.

**Arrangement Note**

Arranged alphabetically.
