---

### **Collection Description**

#### **Biographical Note**

This collection includes biographical information of numerous members of the Emory community specific to Oxford College, including Emory alumni, administrators, professors, and other local historians.

*Emory Libraries provides copies of its finding aids for use only in research and private study. Copies supplied may not be copied for others or otherwise distributed without prior consent of the holding repository.*

**Scope and Content Note**

The Oxford College Biographical Files consists of a compiled collection of correspondence, news articles, publications, and other papers related to members of the Oxford College community. This collection was created by members of the Oxford College Library staff as materials came into the library that referred to individuals related to Oxford College.

**Arrangement Note**

Arranged alphabetically by last name.
