Collection Description

Scope and Content Note

Vellum bound manuscript volume on medicine and pathology written in ca. 18th century by an unknown author. The text is handwritten in Latin and is without pagination. This volume is generally in quite poor condition with one section that has become unfastened from the binding.

Emory Libraries provides copies of its finding aids for use only in research and private study. Copies supplied may not be copied for others or otherwise distributed without prior consent of the holding repository.
