## Collection Description

### Scope and Content Note

This commonplace book is a collection of notes and commentary on various subjects. Included is a commentary on Antonio Rosmini's *Works of Ovid* written in Italian, a passage from *Hylas* by Theocritus written in Greek, and notes on various styles of ecclesiastical architecture. Also included are numerous genealogical tables of British royalty and nobility, and notes on the development of English Parliament and other significant political events in British history. Monograms at the end of some entries indicate that they were written in 1872.

*Emory Libraries provides copies of its finding aids for use only in research and private study. Copies supplied may not be copied for others or otherwise distributed without prior consent of the holding repository.*
