[after identification of item(s)], Atlanta miscellany, Stuart A. Rose Manuscript, Archives, and Rare Book Library, Emory University.

Processing
This collection contains some material that was originally part of Miscellaneous Collections A-B and D. In 2017, these collections were discontinued and the contents dispersed amongst other collections by subject or provenance to improve accessibility.

Collection Description

Scope and Content Note
The Atlanta miscellany collection is an artificially created collection acquired through a number of small accessions. The collection contains items related to the history of Atlanta. Materials

Emory Libraries provides copies of its finding aids for use only in research and private study. Copies supplied may not be copied for others or otherwise distributed without prior consent of the holding repository.
are related to city planning, race relations, Civil War history and the battle for Atlanta, Oakland Cemetery, Atlanta theaters, and the Cotton States and International Exposition. Some materials relate to Atlanta residents including Leo Katz, J.M. Gates, Richard VanLoan, and the Dozier family.
