Collection Description

Biographical Note

Dan T. Carter (1940-), American historian, was born in Florence, South Carolina. He graduated from University of South Carolina in 1962 and completed his graduate work in history at the University of Wisconsin and the University of North Carolina at Chapel Hill (1967). He was appointed the Kenan University Professor at Emory University in 1970. In the fall of 2000 he was appointed the first Educational Foundation Professor of History at the University of South Carolina.

Over the last 35 years, he has been a professor and visiting scholar at five other institutions including the University of Maryland, the University of Wisconsin, London's Westminster University, Cambridge University and the University of Genoa. In 2009, he was the Dow Research Professor at the Roosevelt Center in Middelburg the Netherlands. The author and editor of more than 40 articles and seven works of history, Carter won the Bancroft Prize and the Lillian Smith Award for *Scottsboro: a Tragedy of the American South* (1970).

Scope and Content Note

The collection consists of research files relating to Dan T. Carter's publication of *Scottsboro: a Tragedy of the American South* (1970) and *The Politics of Rage: George Wallace, the Origins of the New Conservatism, and the Transformation of American Politics* (1995). The files include transcripts of interviews and printed materials including newspaper clippings and articles.

Arrangement Note

Unprocessed collection.
