Processing

Some material in this collection was originally part of Miscellaneous Collections A-B and F. In 2017, these collections were discontinued and the contents dispersed amongst other collections by subject or provenance to improve accessibility.

Collection Description

Scope and Content Note

The collection is an artificially-created collection containing early English documents from 1509-1805. The collection mostly consists of legal documents such as deeds and land grants.

Emory Libraries provides copies of its finding aids for use only in research and private study. Copies supplied may not be copied for others or otherwise distributed without prior consent of the holding repository.

Arrangement Note

Arranged in chronological order.

Container List

Box	Folder	Content
