Collection Description

Administrative History

The President of Emory University is the chief administrative officer of the university and, as such, receives annual reports from different administrative and academic offices.

Scope and Content Note

This series contains annual reports of Emory University schools, offices, administrators, student organizations, and other bodies received by the Office of the President. The first 42 boxes contain reports bound together in volumes by year while the rest of the collection contains separately foldered materials group by year. The last three boxes in the collection contain special reports to the President.

Arrangement Note

Arranged chronologically.

Finding Aid Note

Finding aid available in the repository.
