Scope and Content Note

The University Senate records relate to major issues and decisions at Emory University including intercollegiate athletics, honorary degrees, the environment, student activities and conduct, transportation and parking, campus development, educational and library policy, and other campus concerns. The first series, the General Records series consists of administrative records, subject files, and other records related to the functions of the University Senate. Included are bylaws, correspondence, financial records, membership lists, policy statements, reports, resolutions, and schedules. The second series, the Minutes and Agenda series, consists of all minutes from meetings dating from 1950 to 2004. The Committees series consists of committee records including, but not limited to, bylaws, campus development, educational policy, executive committee minutes, faculty issues, honorary degrees, library policy, research, student conduct, student organization and activities; committees related to traffic, parking and safety issues, and various ad hoc committees. The final series, Web archives, contains the captured and preserved website of the Emory University Senate available to browse via the Web Archiving Service of the California Digital Library.

Arrangement Note

Organized into four series: (1) General records, (2) Minutes and agenda, (3) Committees, and (4) Web archives.
