Collection Description

Administrative History

Instruction in chemistry has been offered since the founding of Emory College in Oxford, Ga., in 1836. In 1903, the Department of Chemistry was formally established and persisted after the rechartering of Emory University and subsequent relocation to the Atlanta, Ga., campus.

Scope and Content Note

The collection includes a departmental history written by faculty member R. A. Day, clippings, newsletters, brochures, and other materials related to the Department of Chemistry at Emory University. It also contains the captured and preserved web site of the Department of Chemistry (<http://www.chemistry.emory.edu/>) available to browse via the Web Archiving Service of the California Digital Library.

Arrangement Note

Arranged in alphabetical order by file type.
