Emory Libraries provides copies of its finding aids for use only in research and private study. Copies supplied may not be copied for others or otherwise distributed without prior consent of the holding repository.

Collection Description

Administrative History

Parking and transportation at Emory University has been managed by several campus entities over time, including the Safety and Security Office and Safety and Security Department, Department of Public Safety, Safety Division of the Personnel Department, and the Parking Office. The University Safety and Traffic Committee convened in 1969 to draft a Parking and Traffic Control Plan that became effective in 1970.

Scope and Content Note

Collection gathers material from Emory University's Transportation and Parking Services office and its predecessor offices in charge of University parking and traffic. Materials include parking studies, regulations, and reports. The Safety and Security Office documents include some material on other University safety concerns, including workman's compensation.

Arrangement Note

Arranged chronologically.

Finding Aid Note

Originally kept as subject files in Series 1000.
