Collection Description

Administrative History
Emory Dining manages food services at Emory University, including campus dining halls and restaurants. Helen Jenkins Jenkins was the first female administrator at Emory College, starting as the assistant director of food services on March 5, 1945. She was promoted to director of food services in 1955 and food services liaison in 1984.

Scope and Content Note
Records primarily consist of materials collected and maintained by Helen Jenkins, longtime head of dining services at Emory University including photographs, correspondence, administrative material, and planning materials for renovations of the Emory Clinic Dining spaces.

Arrangement Note
Arranged in chronological order
