*Emory Libraries provides copies of its finding aids for use only in research and private study. Copies supplied may not be copied for others or otherwise distributed without prior consent of the holding repository.*
Appraisal Note
Acquired by Curator of African American Collections, Pellom McDaniels, III, as part of the Rose Library's holdings in African American Culture and History.

Processing
Arranged and described at the file level by Faiza Rahman, Leigh Schlecht, and Sarah Quigley, 2018. Most of the wedding photographs are described according to the physical appearance of the brides as opposed to the grooms because there is greater variation in the brides' dress.

Shotzki Jones was an African American photographer hailing from New Jersey.

Scope and Content Note
The collection consists of prints, negatives, and a single slide of photographs taken by Shotzki Jones from circa 1966-1991. The majority of the collection is negatives. Images document weddings and other events, portraiture, and fashion models.
