Collection Description**Biographical Note**

Kevin Lien began video recording live performances of independent bands in 1989. By the early 1990s, he was trading these recordings with a nationwide network of other fans and building a collection of shows. In October 2005, he started the "Sound of Indie" blog to share his collection.

Scope and Content Note

The collection consists of 520 DVDs of recorded live performances from indie bands worldwide. Lien created the DVDs from VHS tapes, DV tapes, television recordings, and Hi-8 tapes. There are numerous recordings of some bands, including Blonde Redhead, The Cure, The Jesus and Mary Chain, Lush, Skinny Puppy, The Smiths, and Stereolab. Popular venues include The Little Nashville Theater (Rapid City, South Dakota), 9:30 Club (Washington, D.C.), Cameo Theater (Miami Beach, Florida), and Brixton Academy (London, United Kingdom).

Arrangement Note

Arranged in alphabetical order.
