Collection Description

Biographical Note
Nimrod William Ezekial Long (1834-1923) was a resident of Perote, Pike County, Alabama when, in May 1862, he enlisted in the Confederate Army. He served in Company B of the 51st Alabama Cavalry Regiment, Wheeler’s Corps.

Scope and Content Note
The collection consists mainly of correspondence written by Nimrod William Ezekial Long to his wife; as well as several that were written by and to various relatives--several of these being addressed to Mrs. N. W. E. Long. Much of the correspondence is concerned with advice about planting, harvesting, care of crops and livestock and farm tools and the discipline of Negroes. His letters also are concerned with camp life, food, clothing, morale, discipline, officers and civilians, and contain little about fighting. Typed copies of the letters follow the originals on the microfilm. The collection also contains photocopies of additional letters from Long to his wife that were donated to the Alabama Department of Archives and History; some genealogical information, and a Princeton University thesis about Long.

Arrangement Note
Arranged in chronological order.
