Biographical Note
Samuel Augustus Nunn, Jr. was born on September 8, 1938, in Macon, Georgia, to Samuel Augustus Nunn, Sr. (1888-1965) and Mary Elizabeth Cannon Nunn (1903-2000). Samuel A. Nunn, Sr. practiced law in Perry, Georgia, where he also owned a farm, and served in World War I. He served one term in the Georgia House of Representatives (1915-1917) and was active in Democratic party politics. He was mayor of Perry from 1938-1945.

Sam Nunn, Jr. was a member of the Boy Scouts, achieving the rank of Eagle Scout in 1951. He attended Perry High School from 1952-1956. Sam Nunn, Jr. is the grand-nephew of Carl Vinson, who served in the U.S. House of Representatives for nearly 50 years, including as Chairman of the House Armed Services Committee.

Scope and Content Note
The series consists of Sam Nunn's family and childhood papers from 1861-1996. The papers of Elizabeth Cannon Nunn, Sam Nunn's mother, were compiled by her to document Sam Nunn’s life and career. Her scrapbooks document Sam Nunn’s childhood through Senate career; they primarily contain clippings but also include photographs, speeches, printed material, and other memorabilia. Other materials collected by Elizabeth Cannon Nunn, most of which pertain to Sam Nunn, include personal papers, correspondence, photographs, event programs, and loose clippings. The series also contains other materials relating to Sam Nunn's childhood, his father Samuel A. Nunn, Sr., and other family members. Correspondents include Carl Vinson, Elizabeth Cannon Nunn, Samuel A. Nunn, Sr., and various Vinson and Parker relatives. Of particular interest is correspondence between Sam Nunn and Carl Vinson from the early 1970s.

Arrangement Note
Arranged in alphabetical order.

Restrictions on Access
Special restrictions apply: Due to preservation concerns, Wilbur Vinson's Masonic certificate is closed to researchers.

Processing
Archivists kept materials compiled by Elizabeth Cannon Nunn together and arranged them separately from the more general family and biographical materials found elsewhere in the collection. Archivists left loose items found in scrapbooks inserted between the scrapbook pages when possible. The Elizabeth Cannon Nunn papers also include other materials that were loose, and the relationship between loose items and the scrapbooks was not clear to the archivists. Loose clippings not related to Nunn or his family, as well as press releases and newsletters from Nunn's Senate office, were deaccessioned. Archivists foldered and titled the loose items.

Biographical Note
Sam Nunn attended the Georgia Institute of Technology from 1956-1959, when he joined the U.S. Coast Guard where he was active duty 1959-1960 and reserves from 1960-1968. He then attended Emory University, where he received a Bachelor of Arts in Law in 1961 and in 1962 received a Bachelor of Laws (the professional degree offered at the time, which was superseded by the Doctor of Law degree in 1970). Following his graduation from Emory in 1962, Nunn worked from 1962-1963 as Assistant Special Counsel to the Subcommittee for Special Investigations of the U.S. House of Representatives Armed Services Committee, which was chaired by his great-uncle Carl Vinson. In the spring of 1963, Nunn returned to his hometown of Perry, Georgia, where he practiced law and managed the family farm.

While living in Perry, Nunn became involved in civic affairs and Democratic politics, including serving as president of the Perry Chamber of Commerce (1964-1966). Nunn played a key role in the founding of the Middle Georgia Area Planning Commission, serving as Vice Chairman (1965-1967) and then Chairman (1967-1968). Nunn was a founding member of the Georgia Planning Association (formed in 1968). In his capacity as President of the Georgia Planning Association, Nunn directed the Goals for Georgia Program which was initiated by Governor Jimmy Carter in 1971. The Goals for Georgia program was designed to encourage citizens' participation in statewide planning efforts, and the Georgia Planning Association, with the assistance of the Area Planning and Development Commissions, held a series of regional and statewide conferences on a wide array of topics.

Nunn was elected to the Georgia House of Representatives in 1968, representing Houston County (District 41, Post 1). He served two terms (1968-1972). Nunn was named one of Five Outstanding Young Men of Georgia by the Jaycees in 1972. On March 15, 1972, Nunn announced his candidacy for the U.S. Senate.

Scope and Content Note
The series consists of personal papers, correspondence, and subject files documenting Nunn's education and pre-Senate career from 1959-1972. The series contains Emory University School of Law files, primarily class notes taken by Nunn during the time he was enrolled at Emory. The correspondence contained in this series is both personal and political in nature. The series also includes materials documenting Nunn's time in the Georgia House of Representatives, including speeches and legislative files.

Personal papers and general subject files primarily relate to Nunn's involvement in civic affairs in Perry, Georgia, as well in as regional and statewide planning associations. There are numerous subject files documenting Nunn's work with the Middle Georgia Area Planning Commission and the Goals for Georgia program. Of particular interest is a file pertaining to Nunn's work with the U.S. House of Representatives Armed Services Committee from 1962-1963.

Arrangement Note
Arranged in alphabetical order.
Appraisal Note
A small amount of constituent casework files from Nunn's tenure in the Georgia House of Representatives (.25 linear feet) was removed from the collection and shredded.

Photographs, circa 1900-2010 (bulk 1972-1996)
Boxes 613 - 660

Scope and Content Note
The series consists of photographs documenting Nunn’s life and career from 1915-1999. The bulk of the photographs document Nunn’s Senate career, including campaigns, committee work, events, trips, and press appearances, and photograph albums and scrapbooks commemorate foreign trips, visits to military bases, and events. In addition, there are photographs of Nunn’s family, childhood, and early career. Additional photographs belonging to Elizabeth Cannon Nunn can be found in Series 1: Family and childhood papers, and born digital photographs can be found in Series 15: Born digital.

The majority of the series consists of prints, though some files with prints also contain negatives and contact sheets. In addition, there are a large number of dated but otherwise unidentified negatives. Many of the photographs, including most of the unidentified negatives, were taken by the Senate Photography Studio. Some files, including photograph albums, include correspondence or press releases related to the images.

Arrangement Note
Arranged in alphabetical order.

Processing Note
Nunn’s press office arranged photographs according to subject headings. Archivists retained the original order when possible; photographs originally filed by size were moved to the appropriate subject headings. Loose photographic prints and negatives were interfiled by subject. Archivists in the 1990s assigned unique identifiers to many photographs based on the subject and date. These numbers appear on the backs of many photographs. This system was not continued during processing from 2017-2021. Some photograph albums were disassembled for preservation reasons.
