Administrative Information

Restrictions on Access

Special restrictions apply: Collection stored off-site. Researchers must contact the Rose Library in advance to access this collection.

Use copies have not been made for all of the audiovisual material at this time. Researchers must contact the Rose Library at least two weeks in advance for access to these items. Collection restrictions, copyright limitations, or technical complications may hinder the Rose Library's ability to provide access to audiovisual material.

Emory Libraries provides copies of its finding aids for use only in research and private study. Copies supplied may not be copied for others or otherwise distributed without prior consent of the holding repository.

Researchers must contact the Rose Library in advance for access to unprocessed born digital materials in this collection. Collection restrictions, copyright limitations, or technical complications may hinder the Rose Library's ability to provide access to unprocessed born digital materials.

Due to preservation concerns, Series 3: Uncommon Grounds research files, is closed to researchers.

Terms Governing Use and Reproduction

Special restrictions apply: The collection contains some copies of original materials held by other institutions; these copies may not be reproduced without the permission of the owner of the originals.
