Series 2
Boxes 21-23, OBV 1, AV5-AV8, RRL

**Scope and Content Note**
This series consists of unprocessed materials relating to Pomerantz's third book, *Wilt, 1962: The Night of 100 Points and the Dawn of a New Era* about Wilt Chamberlain's 100-point game against the New York Knickerbockers (Knicks). It includes audio cassette recordings of interviews and their transcriptions, research materials, notebooks and a scrapbook. While most of the material is research for the story, the scrapbook covers publicity for the book. Pomerantz's interviews include National Basketball Association (NBA) general manager, Marty Blake; NBA players Earl F. Lloyd, Tommy Hawkins, and Red Klotz; sportscaster, Bill Campbell among many others.

**Arrangement Note**
Unprocessed series.

**Restrictions on Access**
Special restrictions apply: Use copies have not been made for audiovisual material in this collection. Researchers must contact the Rose Library at least two weeks in advance for access to these items. Collection restrictions, copyright limitations, or technical complications may hinder the Rose Library's ability to provide access to audiovisual material.
