Collection Description

Scope and Content Note

The Reconstruction miscellany collection is an artificially-created collection containing material concerning the Reconstruction period from 1865-1873. The collection includes correspondence and several types of official documents, such as oaths of allegiance, discharge papers, and orders

Emory Libraries provides copies of its finding aids for use only in research and private study. Copies supplied may not be copied for others or otherwise distributed without prior consent of the holding repository.

from the Bureau of Refugees, Freedmen and Abandoned Land. Much of the correspondence concerns daily life during Reconstruction, and addresses property issues and other business concerns.

Arrangement Note

Arranged alphabetically.
