Appraisal Note

Acquired by Rose Library Director Naomi Nelson as part of Rose Library's holdings in journalism and the Civil Rights Movement.

Processing

Unprocessed collection.

Born digital materials processed, arranged, and described by Brenna Edwards, 2020. Born digital materials include files taken from one 3.5" floppy disk and one optical disc.

Forensic disk images were created from the floppy disk using Kryoflux and from the optical disc using GuyMager. Individual files were extracted using FTK Imager and scanned for viruses using McAfee's anti-virus software; none were found. Duplicate and system files have been removed, and files were scanned for personally identifiable information; none were found. Text-based files were migrated to PDF using Adobe Acrobat and image files were migrated to JPG using GIMP. File dates have been changed from the original creation date. Access copies retain original folder titles and file names.
